BUILDING A LASTING IMPACT

While Langan's business has grown consistently with Dave at the helm, so has the firm's commitment to community. Langan sets an internal goal of annually donating between $500,000 and $1 million to local charities, and providing in-person volunteer hours across the country. Dave leads by example, volunteering for New Jersey-based organizations including Paterson Habitat for Humanity, Interfaith Food Pantry, and Eva's Kitchen. As an honoree of Daytop in 2015, Dave drove efforts that broke gala donation records and raised nearly $1 million for the organization, which supports teens afflicted with substance abuse and addiction.
