

- Skilled Workforce • Federally-Approved Apprenticeship • Government Relations
- Industry-Accredited Training Programs • Business Development • Occupational Safety & Health

Building relationships with contractors, developers, decision-makers, project owners and fellow trades is what we do to build things right—on time, on budget, no surprises, no problems. LIUNA delivers a diverse, skilled and productive workforce, as well as the professional and industry support to move projects and business forward. Working together works best and we practice this every day. *That's the power of partnership. That's LIUNA.*
